Top Hand Daughter with a double dose of the Legendary Wyoming Warpaint on the dam's side. This beautiful Blue Roan continues to get more amazing by the day. I'm almost afraid to measure her horns!! She is calm in the pasture, but likes to be left alone. Her calves are gentle & easy, but she is not friendly in the corral. We might sell her to someone with a big pasture. I think we have kept all of her heifers, and they are easy and friendly.
